

Faculty Handbook Committee  
Minutes

Date: February 19, 2007  
Time: 3:00 p.m.  
Place: Dolan, E244  
Attendance: Bob, Marcy, Klaus, Dwight, Brenda.

This was the eleventh meeting of the 2006-2007 academic year.

1. Minutes were not ready for review.
2. Miles Coburn, Chair of the Faculty Forum, attended the meeting to provide input on a recent meeting he had with Fr. Niehoff. At this meeting the President informed him that the Boler School was in favor of clinical faculty and that if they voted affirmatively on this issue, he is prepared to approve such positions, even if that meant going outside of the Handbook.
3. The committee suggested that Miles send a note to the Boler School faculty cautioning against a vote that would sidestep the Faculty Handbook. Miles said he would discuss this with the Executive Committee at their meeting on Wednesday, February 21.
