This was the eighth meeting of the 2005-2006 academic year.

1. Further amendments were suggested and approved for the minutes of 12/14 and 2/6.

The duties of the Faculty Service Committee should be incorporated in this new Faculty Council, especially oversight for the assuring faculty representation on new university committees. If the new governance is approved, the Handbook Committee will have to address amendments that will need to be made to the Handbook to accommodate this new body.
3. The Committee reaffirmed its intention to put the minutes from its meetings on the new Faculty Handbook Committee web page.
