

Faculty Handbook Committee
Minutes
FINAL

Date: October 19, 2011
Time: 9:30 a.m.
Place: Dolan, E244
Attendance: All present except Dwight.

This was the fifth meeting of the 2011-2012 academic year.

Minutes of 10/12 were not available for review.

Bob reported that he had received a response from Dwight Hahn thanking the committee for clarifications to issues raised by the last grievance committee.

The committee continued its review of Kenneth Danton's memo to Maria Alfaro-Lopez with comments on the proposed discrimination grievance procedures. Bob will draft a response to Kenneth and forward it to committee members for review. Our original intent was to add recusal to the statement and make sure that the statement was in compliance with existing regulations.

Next meeting: October 26.
