

Faculty Handbook Committee
Minutes

Date: Friday, September 25, 2006
Time: 9:00 a.m.
Place: Dolan, E244
Attendance: Bob, Jackie, Marcy, Klaus, Dwight, Brenda.

This was the third meeting of the 2006-2007 academic year.

1. Bob thanked David LaGuardia and Jim Krukones for coming to the meeting to speak to the committee on a question regarding visiting status and years in rank.
2. The handbook committee abided by the decision it made at last week's meeting that years in status – visiting, as well, as active -- must be counted toward tenure as the handbook states. One committee member was not in agreement with this position.

The meeting adjourned at approximately 10 a.m.
