J. Johansen (chair), D. Bruce and M. Waner in attendance

Agenda:

1) Discuss draft of proposed amendments to formally include the University family and parental leave policy into the Handbook. Draft submitted to committee by chair ahead of the meeting.

Discussion of how to incorporate alteration of timeline into appendix J
Suggestions to put this 'exceptions and adjustments' section after item 4, 9 or as a separate section after the normal process guidelines.

Discussion of whether semester long leave for disability should also delay tenure clock. J Johansen talked with P. Kvidera and A. Miciak who were supportive of that addition.

Send out reworked draft to committee for approval/green light. If so, then pass along to C. Treml (legal counsel).

2) Draft of proposed change to eliminate some of the travel language (e.g. first-class round trip boat or train fare). Would now account for most economical and practical modes of travel (e.g. automobile or economy class airfare).
